The March fourth, nineteen hundred seventy five Town Meeting was called to order at 2:00 P.M. by the Moderator, L. Keith Matheson who announced that the voting would be restricted to Article one.

At 7:00 P.M. a motion was made by John Bankosh and seconded by Lewis Hanson that action on Article one be suspended and the meeting be resumed in the fire station where Article two through twenty eight be acted upon before completing Article one.

At 7:30 P.M., Moderator, L. Keith Matheson opened this portion of the meeting with a salute to the American Flag. Lewis Hanson then explained that Robert A. Beem, Selectman, was not present because of a personal problem with a recently born baby boy whose condition was now stable and holding his own.

ARTICLE 2 On the motion of John Bankosh and seconded by Bess Hanson, it was voted to raise and appropriate the sum of \$48,512.00 to defray town charges for the ensuing year.

ARTICLE 3 On the motion of Lewis Hanson and seconded by Elloyd Weeks, it was voted to raise and appropriate the sum of \$31,500.00 for the maintenance of Town Highways and Bridges, including sidewalks.

ARTICLE 4 On the motion of John Bankosh and seconded by Carrie Kelley, it was voted to accept State Assistance for Class V Roads and to raise the sum of \$3,994.38. (\$300.84 to be raised by taxes in 1975, the balance of \$3,693.54 to be paid from the Revenue Sharing Trust Fund), the State to contribute the sum of \$2,005.62.

ARTICLE 5 On motion of Lewis Hanson and seconded by Clifford LeRoy, it was voted to raise and appropriate the sum of \$5,800.00 for the maintenance of the Centre Harbor Fire Department to be paid from Revenue Sharing Trust Fund, and authorize the Centre Harbor Volunteer Firemen's Association to expend said sum for the operation and maintenance of the Centre Harbor Fire Department.

ARTICLE 6 On motion of Lyndol Pocock and seconded by Philip Bartlett it was voted to raise and appropriate the sum of \$10,400.00 for the Police Department: \$4,400.00 to be raised by taxes in 1975 and the balance of \$6,000.00 to be paid from the Revenue Sharing Trust Fund.

ARTICLE 7 On motion of Barbara Benoit and seconded by Harvey Donaldson, it was voted to raise and appropriate the sum \$2,500.00 for the

operation of the Library.

ARTICLE 8 On motion of Robert Heath and seconded by Mary Fisher it was voted to raise and appropriate the sum of \$4,000.00 for the purpose of providing ambulance service to the town, to be paid from Revenue Sharing Trust Fund.

ARTICLE 9 On motion of Harvey Donaldson and seconded by Mary Fisher, the town voted to raise and appropriate the sum of \$6,055.00 for Parks and Playgrounds including Band Concerts, hiring of a Life Guard at the Winnepesaukee Town Beach, care and maintenance of Wharf and Fountain and Beach Area, and Holiday Celebrations.

ARTICLE 12 On motion of Mary Fisher and seconded by Joan Royea, it was voted to raise and appropriate funds for the support of the Child and Family Services of New Hampshire in the amount of \$150.00.

(The Moderator at this time gave Lewis Hanson a point of privilege so he could explain that Articles 12 to Article 20 were written in a way that gave the voters a choice and show that the Selectmen neither endorsed nor did they not endorse either way, the amount or the article itself.)

ARTICLE 13 A motion was made by Mary Fisher and seconded by Mary Knowles Macgregor to see if the Town will vote to raise and appropriate funds for the support of the Lakes Region Association in the amount of \$133.22 Rob Roy Macgregor explained the function of the Lakes Region Association as did Mary Knowles Macgregor. After a bit of discussion the motion was voted by a show of hands. The Moderator declared the vote in the affirmative.

ARTICLE 14 On the motion of Lyndol Pocock and seconded by Ronald Ulm it was voted to raise and appropriate funds for support of the New Hampshire Humane Society in the amount of \$150.00.

ARTICLE 15 A motion was made by Mary Fisher and seconded by Paul Perkins to see if the Town will raise and appropriate funds as a contribution to the Lakes Region Hospital in the amount of \$400. After a lengthy discussion the motion was voted in the affirmative.

ARTICLE 16 A motion was made by Paul Perkins to pass this article but the Moderator would not recognize this motion. A motion was then made by Priscilla Christopher and seconded by Bess Hanson to see if the town will vote to raise and appropriate funds as a contribution to support Huggins Hospital in the amount of \$400.00. A letter from Huggins Hospital was read by Lewis Hanson in order to answer the many questions asked. At the suggestion of Robert Heath, a show of hands was taken to see how

many people would avail themselves of the services at Huggins Hospital. There were quite a few hands. After much discussion, Gertrude Martin asked for the question seconded by Elloyd Weeks and this was voted in the affirmative. The motion was then voted in the affirmative.

A brief recess was taken.

ARTICLE 17 A motion was made by Gertrude Martin and seconded by Mary Fisher to see if the Town will not vote to appropriate funds for the support of the Inter-Lakes Day Care Center. Some people told of the good things the day care center was accomplishing and others gave some of the statistics which included enrollment number of children from Centre Harbor attending etc. Mary Knowles Macgregor made an amendment to the motion: That the town appropriate \$300.00 toward the support of the Inter-Lakes Day Care Center. This amendment was seconded by Bess Hanson. After a long discussion Gladys Bickford moved the question, seconded by Mary Woodaman. This was voted in the affirmative. The amendment was then voted in the affirmative by a show of hands. The moderator declared the vote in the affirmative with 31 yes and 13 no. The moderator then stated, "Back to the original motion that we appropriate no funds, therefore the amended motion was that we appropriate money, the amended motion takes precedent over the previous motion. Therefore I declare the amended motion is the one that is in effect."

ARTICLE 18 A motion was made by J. Paul Shenk and seconded by Elloyd Weeks to see if the town will vote to raise and appropriate \$750.00 to help maintain and continue the delivery system of services to the poor through the Laconia Community Action Program of the Belknap - Merrimack Community Action Program, Inc. J. Paul Shenk made a brief comment about Community Action Program and informed us that this is a program that has Federal Matching Funds on the ratio of 20-80. The moderator asked if the voters of the town would give people who were non-voters permission to answer the questions that were asked. Mary Knowles Macgregor made a motion which was seconded by Bess Hanson to see if non-voters be allowed to speak on this article. This was voted unanimously in the affirmative. Lynn LaFroth, Area Director, introduced herself and explained in general most of the services that this program provides. Then she answered questions from the floor. Martha LeRoy moved the question which the moderator refused to accept and the debate on this article continued for a while longer. Martha LeRoy moved the question a second time and this was seconded by Gladys Bickford and voted in the affirmative. The original motion was then voted on by a show of hands resulting in a 31 yes and 12 no vote. The moderator declared the motion voted in the affirmative.

ARTICLE 19 A motion was made by Mary Fisher and seconded by Mary Knowles Macgregor to see if the Town will vote to raise and appropriate funds for the support of Central New Hampshire Home Care Services in the amount of \$540.00. After a motion made by Martha LeRoy and seconded by Barbara Benoit it was voted unanimously to give permission to Doreen Knight to speak. Doreen Knight told of what the program was and also that no one in Centre Harbor had used the services during the past year. The possibility of Ira Weeks, Jr., Chief of Police,

working with this organization, he might be aware of people that could use this service. In answer to one of the questions. Doreen Knight explained that there was a charge for the services. People were billed. The latest method was to let every patient know how many services they had received and how much it cost and then leave it up to their judgement how much they could pay for the services. Mrs. Bankosh made an amendment to the motion to appropriate \$200.00. This was seconded by Sarah Heath. After much discussion this amendment was voted in the negative. The original motion was then voted in the affirmative.

ARTICLE 20 A motion was made by Rob Roy Macgregor and seconded by Mary Knowles Macgregor to see if the town will vote to raise and appropriate funds to be set aside for the Lakes Region Bicentennial Plans of the Lakes Region in the amount of \$64.80. William Taylor amended the motion to state that if the Lakes Region Bicentennial Arts Committee does not organize and carry out its function that the \$64.80 be remitted back to the Town of Centre Harbor. This was seconded by Mary Knowles Macgregor. Mr. Rob Roy Macgregor was asked to incorporate this amendment in his article and he agreed. The motion and the amendment was then voted in the affirmative.

ARTICLE 21 On the motion of Mary Knowles Macgregor and seconded by Gladys Bickford it was voted to raise and appropriate the sum of \$150.00 for the restoration of cemeteries in the town and authorize the Selectmen to appoint a committee to supervise this.

ARTICLE 22 On Motion of Gladys Bickford and seconded by Gertrude Martin it was voted to allow a discount of two percent on taxes paid in full within fifteen days of issue of the tax bills by the Tax Collector.

ARTICLE 26 Under this article to choose agents or committees in relation to any article of the warrant and hear reports of any here-to-fore chosen, Martha LeRoy reported for the American Red Cross. Cards had been distributed telling of the large variety of equipment that was available for use, free of charge. Selectman, Lewis C. Hanson speaking for the Selectmen, appointed the Centre Harbor Historical Society as the committee mentioned in Article 21.

ARTICLE 27 On motion of Mary Knowles Macgregor and seconded by Bess Hanson it was voted to accept, as a gift from Mr. and Mrs. Ed-

ward Dane, the land and buildings located on Route 25B which was formerly the Centre Harbor Elementary School. (Tax map lot No. 177B and 179). Under this article Mary Knowles Macgregor, President of the Historical Society and Lewis Hanson, Selectman, told of the various uses the building could be used for.

ARTICLE 28 Rob Roy Macgregor made a motion and seconded by Gladys Bickford to request the Selectmen write Mr. and Mrs. Dane, on behalf of the town, to thank them for their gift of the Centre Harbor Elementary School. The moderator so instructed the selectmen.

Report of Town Historian

On July 4, 1975 the Town received the Official Bicentennial Flag and Certificate of Recognition as a Bicentennial Community. This program followed the Town parade, which was in charge of Parks and Playgrounds commission, and it was with pleasure that our oldest resident, Mr. Lewis C. Eastman was honored.

Completed Bicentennial projects include repairing and goldleafing the weathervane on the Congregational Church was paid for in full by the sponsors, the Women's Fellowship and the generous contributions of individuals.

The "Midnight Ride" was reinacted with Selectman Lewis C. Hanson as "Paul Revere" and the poem by Longfellow beautifully read by Frank Muscarella.

The attractive "Welcome" sign on Route 25, near the Centre Harbor-Meredith Town Line and the preparation and maintenance of the red, white and blue flower garden near the Centre Harbor - Moultonboro Town Line were projects of the Centre Harbor Woman's Club. The project of polishing the figurine on the Town Fountain was by Garnet Hill Grange; also maintaining patriotic flower gardens at the Municipal Building and the park at the intersection of Routes 25 and 25B.

The Center Harbor branch of the Lakes Region Red Cross added a walker to their splendid collection of supplies to aid in caring for the ill in our homes; and the printed list of all available articles is an attractive folder.

The Kanasatka 4-H Club planted lilacs at the Old Village School and a Maple tree in the Dr. Leonard Morrill Memorial Park, where trees were also planted by Freeman Brooks and the Parks and Playground Commission in charge of Frank Muscarella.

Our Snow Sculpture Contest was won by Miss Christine Roy.

The Harbor Lights Extension group have arranged a program entitled "Heritage of Quilts."

The Centre Harbor Historical Society held a Silver Tea and "Open House" at their new home, the Old Schoolhouse, and sponsored an historical hike to old cellar holes, landmarks, etc.

Plans are underway for the sponsoring of a Bicentennial Costumes Sewing Contest.

The ringing of the Church bell, a blast of the fire siren, followed by fireworks ushered in the Year 1976. This splendid program was the result of the combined efforts of the members of the Centre Harbor Fire Department who launched their program on New Year's Eve, starting with a movie, "Oliver," for all members of the family and serving a

delicious buffet supper just before midnight. The huge bonfire was an added attraction.

More projects are planned during 1976, and on behalf of the Centre Harbor American Revolution Bicentennial Committee, sincere appreciation is extended to all organizations and individuals for their splendid enthusiasm and cooperation.

Inter-Lakes Day Care Center Report To The Towns

During 1975 the Inter-Lakes Day Care Center served 117 children from Lakes Region families. The Center operates a pre-school program with a full range of services including education, health care with a weekly basic health check by a registered nurse, periodic vision and hearing screenings, immunizations, dental care, nutrition, and nutrition education. We also participate in the New Hampshire Special Food Service Program offering a daily hot lunch, breakfast, and nutritious snacks. The Center is in operation on a year-round basis from 6:30 a.m. to 5:30 p.m., making it possible for the parents of forty children to maintain employment.

The primary concern of the Inter-Lakes Day Care Center is to provide a home-like, educational environment for children of working parents. We also offer a nursery school program, and an after-school program for elementary school children of working parents.

The total budget of the Inter-Lakes Day Care Center is \$47,060.00. Of this we will be receiving \$18,021.12 in tuition paid by parents, \$10,018.32 from Aid to Families with Dependent Children, \$14,265.42 in federal funds, and \$4,755.14 in local funding which must be obtained in order to receive the federal amounts. This means the money we receive from the towns that we serve is matched three times.

Area residents are always invited to visit the Inter-Lakes Day Care Center at 11 Lang Street in Meredith.

Report of the Planning Board

Town of Centre Harbor

The Planning Board scheduled 29 regular meetings during 1975. Of these, three were strictly work sessions devoted to reviewing proposed changes to the Centre Harbor Zoning Regulations which experience had indicated would simplify or clarify the regulations as presently written. Individual members also attended the monthly meetings of the Lakes Region Planning Commission as well as meetings of other groups concerned with water quality, solid waste disposal and similar matters.

During the year six subdivision proposals were submitted to the board. After review and a public hearing on each, all six were approved, as well as two proposals carried forward from 1974. Four other subdivision proposals were brought before the board for discussion but have as yet not been formally submitted for consideration. While the subdivisions approved for 1975 were basically of the one or two unit size, three of the proposals which have as yet not been formally submitted but about which the board had some discussion, are of a multi-unit nature.

The membership of the Planning Board changed quite a bit during the year. Mr. Edward Dane, who had served both as board member and as secretary for the board for several years, submitted his resignation. Also Mr. R. Leigh Ulm, who was not only an active member but had also served as treasurer, resigned. Finally, Mrs. John Christopher moved to New Jersey and left a third vacancy. While they all will be missed at meetings both as friends and members of the board, their places have been ably filled by Mr. William J. Montgomery, Mr. William Taylor and Mr. Aaron C. Smith.

In looking forward to 1976 the Planning Board is hoping for favorable reaction by the town to the proposed changes in the Zoning Regulations, many of which have resulted from requests to the Board to simplify or clarify existing regulations. It is hoped that members of the community will continue to make further recommendations to the board so that the regulations can be kept both simple, yet reflect our common concern for the future development of our community.

Meetings of the Planning Board are normally scheduled for the 1st and 3rd Mondays of each month and visitors are always welcome. All changes and special meetings are posted on the town calendar in the Municipal Building.

Community Action Program

MEREDITH OUTREACH OFFICE
MAIN STREET, (General Delivery)
MEREDITH, NEW HAMPSHIRE 03253
TELEPHONE: 279-4096

The Belknap-Merrimack Community Action Program has provided comprehensive services to low income families, senior citizens, and other members of the Centre Harbor Community during the past year. Most recently, a new outreach office was established at the corner of Main and Plymouth Streets in Meredith in November, 1975, and special office hours will be held in Centre Harbor for the convenience of residents, one day each month. Among the various Community Action Programs which are available to Centre Harbor residents are:

General Information and Referral

General Information with regard to the needs of low income persons, senior citizens, and consumers in general provides a large part of CAP's services. Referrals to other agencies for help in meeting these needs are provided immediately, and follow-ups are done whenever possible. Emergency assistance and crisis intervention remain a vital part of CAP's daily services.

Housing

CAP housing assistance is available in many areas, including the Winterization Program (distribution of plastic, caulk, weatherstripping, energy conservation pamphlets, and insulation and repair work for eligible families), the Heat Emergency Loan Program, fuel-utility assistance, and landlord - tenant relations. Farmers Home Administration application assistance is also available.

Food Buying Club

A successful food cooperative is located at the Meredith CAP outreach office. Eligible low income families must serve as volunteers in the co-op order to participate as members. Families are able to buy fresh, high quality foods at substantial savings. Each week a member of the co-op contributes a recipe which is nutritious and economical to prepare. The Recipe of the Week is distributed to each member at the co-op on Wednesday evenings.

Family Planning

Expanded clinic hours, and increased medical services allowed Centre Harbor women to make twenty-six visits to the Family Planning Program's new clinic facility in Lakeport. In addition to the medical care offered to controlled patients, VD tests, pregnancy tests, counseling, and educational services are free to anyone requesting the assistance. Goals

for next year include the opening of an evening clinic for women working outside their homes, and improved community education efforts.

Rural Transportation

The Belknap County Rural Transportation Service is an ongoing program designed to help senior citizens and low income persons in need of transportation. One day per week, a route with a pick-up stop in Centre Harbor enables people to come into Meredith and Laconia for errands, appointments, and shopping.

Operation Green Thumb

In June, 1975, the Green Thumb Gardening Project was instituted. Centre Harbor residents who participated received seed, fertilizer, and consumer education literature, enabling them to grow food for summer consumption, and in some cases, for freezing and canning as well.

Senior Programs and Meals on Wheels

During the last part of November, 1975, CAP took over the Meals on Wheels, Congregate Meals, and Elderly Transportation Programs for the Meredith, Centre Harbor, and New Hampton areas. Since then, the Meal Site has been moved to the Meredith CAP office, where the number of participants has nearly doubled. Participants in the Congregate Meals Program are also the volunteers who package the dinners for Meals on Wheels. A part time Activities Director has been hired, and an advisory board has been formed. Important elements in the Senior Activities Program are: community service, consumer education, health and nutrition, and general recreation.

Intake, Assessment, and Counseling for the Belknap-Merrimack Manpower Corporation Employment Programs

Summer Work Experience, In-School Work Experience, and Adult Work Experience are all programs from which Centre Harbor residents have benefited during 1975. Through the Meredith Outreach Office, the Belknap-Merrimack Community Action Program provides intake, assessment, and counseling for the Belknap-Merrimack Manpower Corporation's employment programs.

Anticipated Expansion '76

It is hoped that present services can be greatly expanded in Centre Harbor in 1976, and that new programs such as Consumer Education, Carpools, etc., can be developed to benefit all members of the Centre Harbor Community.

Report of the Forest Fire Warden and District Chief

Center Harbor

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.
